AND PORTIONS OF AIEA/HALAWA ESTATES

Happy New Year District 7!

Dear Friends and Neighbors,

I would like to thank you for allowing me the opportunity to serve and be your voice on the Honolulu City Council.

Currently, the committees I serve are as follows:

- Chairperson, Committee on Transportation
- Vice Chairperson, Committee on Budget
- Member, Committee on Zoning and Planning
- Member, Committee on Executive Matters and Legal Affairs
- Member, Committee on Parks, Community, and Customer Services
- Member, Public Works, Infrastructure, and Sustainability

The City's biggest challenge is providing basic services in an efficient manner at the lowest possible cost to the taxpayer. Better approaches to oversight and transparency over all City agencies are issues that we will continue to pursue. As a public servant, it is my duty to hold all agencies accountable when spending taxpayer money.

I welcome the challenge of dealing with the wide range of issues, but I need your continued support to bring the change that will improve our quality of life in the city where we live, work, and play. Your feedback in the form of testimony, letters, emails, and phone calls would be greatly appreciated.

We can all have a hand in shaping our future. I promise to uphold my duty to serve you with humility, strength, and dedication.

Wishing you and your loved ones a healthy and prosperous 2015! Let's get to work!

Sincerely,

A handwritten signature in black ink that reads "Joey Manahan".

JOEY MANAHAN

LEGISLATIVE UPDATES

Bill 52 (2014)

Bill 52, CD2 was passed by the City Council on November 12, 2014. The purpose of this ordinance is to protect residential property and uses from unsafe and unsanitary conditions that prevent or impair the safe use and quiet enjoyment of residential property. The existing Housing Code will be furthered by extending the requirements of the Housing Code to nonresidential property that is capable to impacting property that is used or intended to be used for residential proposes. Enforcement of the Housing Code will be improved by further defining the unsafe and unsanitary conditions that are prohibited in the Housing Code. The enforcement of the Housing Code will be improved by authorizing the Director of Planning and Permitting to seek and obtain judicial warrants and injunctive relief. The amendments will allow the City to effectively investigate potential violations of the Housing Code and abate any unsafe or unsanitary conditions that prevent or impair the use of residential property for its intended purposes.

Resolution 14-145

City Council Resolution 14-145, which requested that the Department of Parks and Recreation and the Department of Human Resources jointly develop a city “Anti-Bullying” initiative to protect children and youth participating in programs administered by the City and County of Honolulu, was passed out of the Parks and Customer Services Committee chaired by Councilmember Joey Manahan on July 22, 2014, and adopted by the full council on August 13, 2014. The measure received strong support from the Hawaii Youth Services Network, Mental Health America in Hawaii and the legislature’s Keiki Caucus. The timing of the resolution was providential in that the newly appointed director of Honolulu’s Parks and Recreation, Ms. Michele Nekota, came from the Salt Lake City Department of Parks and Recreation that had recently implemented a similar “Anti-Bullying” policy as director of that department.

The Hawaii Youth Services Network, under the direction of Judith Clark, also took the initiative to apply for a grant to implement the “Anti-Bullying” training program called for by the Resolution. Ms. Clark announced at the Keiki Caucus meeting at the State Capitol on December 15th that the Hawaii Youth Services Network was awarded a grant of \$75,000 for the non-profit to work with the City’s department of Parks and Recreation to plan, develop and implement the training program.

Mahalo!!!

Special thanks to the Department of Facility Maintenance and the Department of Design and Construction for investigating and installing a new street light on Pio Place.

Mahalo for your dedication and efforts to help keep our roads and pedestrians safe in this area!
